Index Services for *NDPLS*

The NDPLS Editorial Board and the Society for Chaos Theory in Psychology & Life Sciences are pleased to announce that *Nonlinear Dynamics, Psychology, and Life Sciences* has been accepted by Thompson Reuters for abstracting and indexing in *Social Sciences Citation Index*, *Journal Citation Reports/Social Sciences Edition*, and *Current Contents/Social and Behavioral Sciences*. The indexing will start with the 2009 volume year. We anticipate their first citation report will appear in 2012. The inclusion of NDPLS in the *Web of Science* and related reports demonstrates our dedication to providing the most relevant and influential nonlinear dynamics content to our community. NDPLS is also indexed in *PsycINFO*, *MathSciNet*, *Medline*, *JEL/Econlit*, *ScienceDirect* and *Scopus*.
